

Events of the Coming Week

Monday, Sept. 19
Pan-Hellenic Tea, afternoon.
Sigma Sigma Informal Rush Parties at different homes in Maryville, to 10:30 p. m.
"Course" party, Varsity Villagers, to 9 p. m. at Maryville Country Club. Members of the Villagers will meet at the Administration building and will go to the Country Club by bus.

Tuesday, Sept. 20
Alpha Sigma Alpha Informal Rush parties, 7 to 10:30 p. m., at various Maryville homes.
Residence Hall P. J. party, 10 to 11 p. m.

Wednesday, Sept. 21
Sigma Sigma Sigma formal rush party, 7 to 10:30 p. m., at Maryville Country Club.
Assembly, College auditorium at 8 a. m., concert by Mr. and Mrs. Paschal Monk.

Thursday, Sept. 22
Alpha Sigma Alpha formal rush party, 7 to 10:30 p. m., at Maryville Country Club.

New Type Of Class Schedule Faces STC Enrollees This Week

Students who enrolled in the College for the new term Tuesday and Wednesday of this week were confronted with a new type of registration which was inaugurated this fall. Instead of class schedules for the quarter only, students found a schedule for the entire fall-winter term printed in a booklet.

Dr. J. W. Jones, dean of the College, explained the new type of schedule, which gives students an opportunity of knowing what they are taking during the entire year. Dr. Jones said that the plan is used in Indiana schools and has been popular in that state. The dean of the college came to the College last spring from Terre Haute, Ind.

Registration information is contained in the new booklet, together with the class schedule. Heretofore, the schedule has been in sheet form. In the section on registration information, students find that they are to see the following instructors for guidance in selecting courses which lead toward their major:

Agriculture, Mr. R. T. Wright; Biology, Mr. W. T. Garrett; Commerce, Mr. Hugh G. Wales; Chemistry, Mr. M. W. Wilson; English, Dr. Anna Painter; fine arts, Miss Olive DeLoe; foreign languages, Dr. Jeanne Dow; home economics, Miss Letitia Anthony; industrial arts, Mr. N. V. Nalk; mathematics, Mr. G. H. Gilbert; geography, Mr. A. J. Caulfield; music, Mr. Paschal Monk; physics, Dr. J. W. Hake; physical education, Mr. E. A. Davis and Miss Arlam Waggoner; social science, Mr. Henry A. Foster; and speech, Dr. P. Kelly.

Lamkin Speaks at School Dedication

President Uel W. Lamkin was one of the two principal speakers on the program August 26 at the dedication of the new Pickering, Mo., public school building. E. R. Adams, district supervisor, was the other principal speaker.

The two educators urged the citizens of Pickering not to consider their duty to their children completed with the building of a new school house, but to continue in their support of school activities. The program also included talks by Howard Null, president of the Pickering school board, W. H. Burr, superintendent of Nodaway county schools, and music by LeRoy Estes, Grace Reed and a vocal quartet.

H Clubs Hold Annual Camp Here

The annual 4-H club camp for the counties of Nodaway, Atchison, Holt and Andrew was held at the College for the second week in August. A total of 420 boys and girls attended annual encampment, making the largest enrollment in recent years. Swimming pool facilities in the College gymnasium were at the disposal of the visiting farm club members.

Dr. L. Ford Goes To Iowa to Teach

John L. Ford, Maryville, a graduate of the College and who has the A. degree from the University of Iowa, left this city Aug. 29 for Morris, Iowa, where he will teach in the mathematics department. He spent the summer vacation with his family in Maryville. Ford taught spring Sun part of last year.

Members Of Student Senate And Assistants Welcome Frosh

Group of Students Assist At First College Day For Freshmen Tuesday

When freshmen enrolled in the College for the fall quarter Tuesday of this week they were assisted by members of the Student Senate and a corps of student aides.

Richard ShROUT, Calhoun, is president of the Senate this year, having been elected to that office by the Student Government Association—composed of students in the College—at the annual election last Spring.

In a statement to The Missourian this week, ShROUT welcomed students, both freshmen and upperclassmen, back to the campus. The text of his welcome follows:

"Welcome from the Student Senate. To you students who are here for the first time let me say the Student Senate welcomes you. To those students that are returning, along with our welcome, we also challenge you. This is our College, the students' college, and you are a part of it. So upperclassmen,

RICHARD SHROUT, Calhoun, Mo., president of the Student Government Association who this week extends a welcome to all freshmen and "old" students.

let's introduce the freshmen to our faculty, show them our halls, teach them our traditions. This being their home, let's surround them with friendliness, tolerance and give them a cordial welcome.

"RICHARD SHROUT,
President."

ShROUT was in charge of the Senate members and aides at the freshman assembly Tuesday morning. Durwood Maxted, Tabor, Ia., is vice-president of the Senate.

Virginia Miliken, Gravity, Ia., is secretary of the Senate, Mary Jo McGee, Harris, is treasurer, and Frank Strong, Maryville, is parliamentarian.

Other members of the Senate are: Seniors, William Bernau, Earlham, Ia.; Bill Maloy, Redding, Ia.; Lloyd Oliver, Guilford, Juniors, Paul Tracy, Hubbard, Ohio; Francis Stubbs, Amazonia; and Walter Lethem, Maryville; sophomores, Richard Dempsey, Kansas City; Marjorie Powell, Stewartsville; and Marjorie Stone, Ridgeway.

Aides who assisted the Senate Tuesday morning were: Orville Brightwell, Booneville; Sue Bell, Van Buren, Ark.; Harold Bruggeman, Maryville; Bill Hutchinson, Maryville; Jean Schneider, Stanberry; and Paul Strohm, Maryville.

The Senate will meet once each week during the year. It is the duty of the Senate to promote and regulate student activities and to be the responsible governing body for the students of the College, under the powers granted by the Administration, the Board of Regents, and the laws of the State and subject thereto. Certain specific powers of the Senate are listed in the new Handbook.

Mary Turner Is Local Delegate To A. S. A. Meet

Mary Turner, Pattonsburg, a senior in the College and president of Phi Phi chapter of Alpha Sigma Alpha educational sorority, was the active chapter's delegate to the national convention of the sorority held August 22-26 at Yellowstone National Park, Wyoming. Miss Hildred Fitz, an alumna of Phi Phi chapter, was the alumna chapter's delegate to the convention.

Miss Georgia Schulte, graduate of the College now residing in Fulton, Mo., was general chairman of the national meeting this year. She is a member of the local alumna chapter of Alpha Sigma Alpha.

Miss Turner this week reported that the sorority convention was reported to be one of the best which has ever been held.

Bernice Owens Named Platte Purchase Belle

College Sophomore Is Most Attractive Girl In Contest

Bernice Owens, a sophomore in the College, was judged the most attractive belle in the Platte Purchase Centennial celebration in St. Joseph Saturday, August 20, and in so being judged, reigned over the climaxing event of the three-day event, the celebration ball in the Venetian ball room at Lake Contrary.

Miss Owens is the daughter of Mr. and Mrs. C. L. Owens of Maryville. She was chosen from the group of five belles representing the Platte Purchase counties. The Buchanan county entry did not compete for Purchase belle.

Dress of Civil War Period

The pretty College sophomore wore a billowing dress of the Civil War period, made of white moire taffeta and trimmed with fifty yards of lace. She was presented with a sterling silver comb, brush and mirror set as belle of the ball.

Earlier this summer Miss Owens had been chosen in a local elimination contest to represent Nodaway county in the Platte Purchase celebration. Three St. Joseph judges selected the College sophomore as belle of the celebration ball.

Competes At Sedalia

The Maryville Drum and Bugle Corps sponsored Miss Owens' entrance in the centennial celebration, and the following week sent her to Sedalia to compete in the state fair beauty pageant.

Margaret Kyle, College student from Graham, and her escort, Buck Hanson, also of Graham, were voted the most attractive couple in the Platte Purchase period. They were also judged at the celebration ball Saturday night, Aug. 20, at Lake Contrary.

Bus In Parade

One of the floats in the big centennial parade held the afternoon before the ball in St. Joseph's business district was the College bus with College students or former students riding inside. The bus was decorated in green and white crepe paper.

Those who rode in the bus in the parade follow: Edwarda Harrison, Edna Mary Monk, Helen Shipman, Emma Lee Vance, Martha Sue Zimmerman, Dorothy Henderson, Elise Salmon, Martha Jane Hamilton, Virginia Lee, Marjorie Perry, Virginia Robertson, Iris Ebersole, Ruth Taylor, Elizabeth Wright and Roy Ferguson, Ted Adkins, Frederick Jean Schneider, Kenneth Lawson and Larry Loos, Ben Weir, who was the Nodaway county chairman of the celebration, also rode in the College bus during the parade.

Your Northwest Missourian Goes Modern; In Fact, Streamlined!

College Weekly Newspaper Assumes Characteristics to Keep Abreast of Times

The Northwest Missourian, your College weekly, this year goes "modern." In fact it has gone so modern that it has been streamlined, which apparently is the trend of all good things in this day and age.

In the first place, if you will look through this edition closely you will find a number of things are different than the paper of the past three years. First, the size of the sheets are larger, having eight columns instead of five. Secondly, the number of pages has been reduced from forty to four; but even then, at least forty more inches of space are added to the size this year.

The staff has changed the headline schedule this year, which, incidentally, is one of the major changes. We have adopted the style of uncounted heads, whereas in previous years every space was counted. With the uncounted heads, plenty of white space should be apparent in the paper, and that in itself is always an asset.

One of the biggest items of change will be noted on page two, our editorial page. After this week, it is

BERNICE OWENS, sophomore in the College, who was honored last month by being chosen belle of the Platte Purchase Centennial Celebration in St. Joseph.

Sixty-Two Are On NYA Payroll For This Term

Two Student Aid Meetings Held At Local College

Sixty-two students in the College will this year be employed on the payroll of the National Youth Administration. Last year's quota of students on the aid program was seventy-six, and preference on this year's N. Y. A. corps was given to students who served satisfactorily last year.

President Lamkin said the latter part of last month that all College allocations had been received for the 1938-39 term. The allotment is based on 9.3 per cent of the enrollment of students under 25 years of age as of September, 1936.

Too Many Applications

College N. Y. A. funds were allotted to individual students by the latter part of August, the President said. Applications for the student aid program here out-numbered the number of jobs by five times.

The College has attempted to divide the funds among the counties in the northwest Missouri district in proportion to the number of students regularly enrolled from those counties, President Lamkin announced.

Announcement concerning College N. Y. A. funds for this year came after a meeting Wednesday, Aug. 24, of northwest Missouri school administrators here. W. A. Swearingen, of the state N. Y. A. office attended the meeting and explained the current student-aid program for high schools. He announced that the appropriations for this year will be approximately the same as in 1937-38.

Allocation Factors

Swearingen explained the factors in allocating state N. Y. A. funds to high schools as first, past use of funds; secondly, known condition of need; and third, enrollment. He stated that the state department has been faced with the problem of an increased enrollment in high schools in most parts of the state.

A similar meeting Wednesday afternoon in the office of President Lamkin was conducted by Swearingen. At the afternoon meeting, the College N. Y. A. program was discussed. The morning session was held in the College auditorium.

Contract Is Let For New STC Library

Kansas City Firm Bids Low; Board of Regents Holds Meet

The J. E. Dunn Construction company of Kansas City was awarded the contract for the construction of the new library building on the College campus, it was announced recently by President Uel W. Lamkin. The company, whose base bid was \$122,240 submitted the lowest of five bids by various construction companies.

Earlier in the year the Dunn company was contracted to build the new Horace Mann training school building which has been under construction between the Administration building and gymnasium since last January 1.

Consider Five Bids

Considering five bids, the College board of regents met with George Blowers of Jefferson City, state purchasing agent, Sept. 1 in the office of President Lamkin. Representatives from the following construction companies were submitted to the board: E. C. Childers Construction company, Kansas City; E. H. Lawhon Construction company, St. Joseph; Duncan Construction company and the Winn Senter Construction company.

The new building will be constructed with state funds and funds furnished by the Public Works Administration.

Bids for the building were opened the morning of Sept. 1 and were read in public. In addition to basic bids, alternate bids were read for wiring, plumbing and other departments of construction.

Located On College Drive

Walter Boschen, St. Joseph architect, drew the plans for the two-story building which will be 175 feet by 80 feet. The structure will be located on College drive between the Administration building and Residence Hall, dormitory for women. Approximately 120,000 volumes will be contained in the library.

Contained on the first floor of the building will be a periodical room, study room, seminars, museum, textbook stack room, stack room, storage rooms, librarian's office, work rooms and mens' and womens' rest rooms. The second floor will contain a large reading room, stack room, work room, catalogue room, seminar and mens' and womens' rest rooms.

All Board Present

All members of the board of regents were present for the meeting, including: Jack Stapleton, Stanberry, president; Dr. Jesse Miller, Maryville, vice-president; A. T. Weatherby, Chillicothe; R. L. Douglas, St. Joseph; J. M. Perry, Princeton; and Edmond McWilliams, Plattsburg.

President Uel W. Lamkin and Mr. W. A. Rickenbrode, secretary of the board, and business manager of the College, also attended the meeting.

NYA Boys Break Ground For New Housing Projects

The breaking of ground the latter part of August began operations on the N. Y. A. housing project on the College campus, a project which ultimately will result in the construction of a dining hall, a recreation hall and mens' dormitories.

About seventy-five boys from all over Missouri were working during August on the N. Y. A. project located just west of "The Pines" and on the south of Memorial Drive. The boys arrived here the first of August but were unable to begin the housing unit until supplies from Jefferson City arrived the latter part of the month. In the meantime, work was done on other campus projects.

Engineers for the NYA said that they desired to finish one dormitory as quickly as possible to provide a place for the boys to stay while the remainder of the buildings are being erected. The boys were housed during August in the College gymnasium, and received their board at the Residence Hall dining room.

Mr. Tad C. Reid, superintendent of operations at the College, is general supervisor of the housing project. Fred Lewis of Maryville is in charge of the personnel of the different contingents as they come into Maryville.

J. J. Stratton of the NYA office at Jefferson City is representing the government in the project, and Lloyd Grigsby, project engineer from the Jefferson City office, is also here in an official capacity.

Boys who are taking part in the program enrolled in classes at the Administration building the first of this week.

PRESIDENT UEL W. LAMKIN, who spoke to freshmen in the class assembly held in the College auditorium Tuesday morning. President Lamkin extended the welcome.

Major Lester, FBI, To Speak On Criminology

Teachers Convene Here Next Month In Annual Meet

Officials of the Northwest Missouri Teachers Association have recently announced a tentative program for the twenty-first annual meeting of the Association at the College October 13 and 14.

Presiding at the opening session Thursday morning, October 13, will be Mr. C. K. Thompson, Pattonsburg, who was elected president of the Association at its annual meeting last year. Mr. Thompson is superintendent of the Pattonsburg public schools.

Mr. Lloyd W. King, state superintendent of schools, will also appear on the program the opening morning of the meeting, as will Mr. V. F. Knox, president of the State Teachers Association, and Major W. H. Deane Lester, of the Federal Bureau of Investigation in Washington. Major Lester will discuss "Modern Trends in Criminology."

Josh Lee To Speak

The opening afternoon's program will feature Vilhelmur Stefansson, explorer of Arctic regions, who has appeared as a speaker on previous programs. He will discuss "New Frontiers of Peace and War," after which departmental sessions will be held in various rooms in the Administration building.

Josh Lee, United States senator from Oklahoma and a noted humorist and lecturer, will be one of the highlights of the program, appearing Thursday evening. The subject of his address has not yet been announced. The annual homecoming dance will be held in the College West Library following the address by Senator Lee.

Rufi, Hare To Appear

John Rufi of the University of Missouri in Columbia and Miss May Hare, rural school expert of Topeka, Kas., will speak on the morning program Friday, October 14. In the afternoon, Dr. Henry Hitt Crane, Elm Park M. E. church, Scranton, Pa., will speak on the subject, "Oil for the Lamps of Education."

The Knights of the Hickory Stick, school men in Northwest Missouri, will hold their annual dinner at 6 o'clock Friday evening.

The concluding event of the two-day convention will be the Rolla-Maryville football game on the College athletic field. It will be the annual Homecoming football game which is held during the teachers meetings.

Miss Cozine Injured In Auto Accident

Miss June Cozine, member of the College home economics department, received minor cuts and bruises in an automobile accident on Memorial highway near St. Joseph Friday night, Sept. 2.

The most seriously injured in the accident was Miss Cozine's mother, Mrs. J. D. Cozine, of Dearborn. She received severe cuts about the head and neck. Miss Ruth Scott, niece of Mrs. Cozine, was the third person in the Cozine car which collided with a machine containing two CCC enrollees from Savannah.

The occupants of the Cozine car were taken to a St. Joseph hospital for treatment.

Lemaster Receives M. A. Degree

Miss Birdie Lemaster, a graduate of the College, will teach this year at Liberty. She received the M. A. degree in French this summer from the French school at Middlebury College, Middlebury, Vt.

President Lamkin Welcomes New Students To College In First Assembly Of Fall Quarter

About Usual Enrollment Expected By Officials; Several Faculty Members Introduced To Freshmen

Enrollment activities at the College got officially underway Tuesday morning with a general assembly for freshmen in the auditorium.

President Uel W. Lamkin in a welcoming address to the new students, stressed the point that freshmen should take advantage of extra-curricular activities which will be sponsored this year by various organizations and departments. He urged that students take part especially in activities connected with the subjects they are interested in.

The enrollment of the usual number of upperclassmen took place all day Wednesday while freshmen were beginning their regular class work. The total enrollment of all students by the end of the week was expected to exceed 800.

MR. PASCHAL MONK, formerly of Cincinnati, Ohio, who comes to the College this year as chairman of the music department. He succeeds Mr. LaVerne E. Irvine.

New STC Student Handbooks Are Issued This Week

Students who enrolled for the fall term the first of this week received copies of the new Student Handbook, a publication of the College Student Senate which was last spring revised by a committee composed of Clara Lippman, Paul Strohm and Edith Wilson.

The new Handbook differs from the old in content, size and color. Much more material concerning the College, its history, ideals and traditions as well as information concerning the various local organizations is contained in the new book which was this summer printed by the Maryville Forum Print Shop.

Bound with a tan and green cover, the size of the new book is four inches by six inches. The old book was green in color and was smaller in size.

Included in the new book is a College calendar for 1938-39, the "Alma Mater," greetings from President Lamkin, history of the College, traditions of the College, a section on the Student Government Association which includes a complete copy of the new Constitution and By-Laws as adopted by the student body last year and awards and loans funds.

Student living standards and regulations for social affairs and regulations pertaining to organizations. The active College organizations are given a section in the book with write-ups of each.

Other features of the new book include references to the College catalogue, College yell, football and basketball schedules for 1938-39, hints to freshmen and a map of Maryville.

Dr. Margaret Ruth Smith, director of personnel for women who supervised the revision committee's work, said last week that the book will be revised and reprinted each year.

DR. MARGARET RUTH SMITH, who is a co-author of a new book on student personnel. Dr. Smith is director of personnel for women at the College.

The Fall Quarter Brings Students Back to Campus

Along in the middle part of September, when a slight briskness is felt in the evening breezes and when Dame Nature is about ready to tint her green robe of summer to a darker color of brown for winter, hundreds of students bend their ways back to the campus of the Northwest Missouri State Teachers College for fall activities. This week found the corridors, walks, and classrooms abustle with the activities of those students who had returned to the hill for another year of scholastic and social life. The new term will no doubt hold many new and varied experiences for students who have attended this institution in former years, and will most certainly for those who will soon don the traditional green cap or beret significant of the fact that they are first year students.

The Northwest Missourian, in its first issues of the new quarter, takes the opportunity of welcoming the students, old and new, back to the hill which will be the place they will frequent most in the next nine months. Especially does this newspaper wish to welcome members of the freshman class.

Students who were graduated last spring from high schools in the northwest Missouri district and in many other districts in the state and other states in the nation and who have enrolled in the College this fall are bound to find their environments completely changed. Upperclassmen on this campus—those sophomores, juniors and seniors who have passed through exactly what the first year students are now passing through—are the kind of men and women who are glad to help any bewildered freshman who seeks for assistance.

With the help, then, of administrative officers, faculty members, and upperclassmen, freshmen should soon be able to regulate themselves to their new environment and it stands to reason that once this is accomplished, the freshmen will enjoy four of the best years of their lifetime.

It is with true sincerity that this newspaper says "Welcome Students!"

From the Dean . . .

Welcome to the Northwest Missouri State Teachers College! To those of you who are entering school here for the first time, and to those of you who are returning for another year, Your College extends its heartiest welcome.

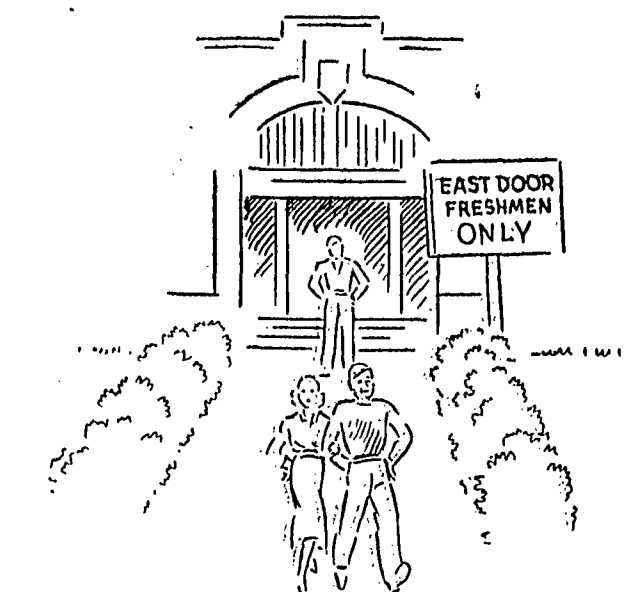

Going to college is indeed a glorious experience; meeting new friends and greeting old ones, the joy of exploring newer and wider fields of learning, of growing from a green freshman to a mature senior, the fun of being a sophomore, the games, the homecomings, the classes and dances, the first flowers on the campus, finals, COMMENCEMENT . . . all these things help to make college. (Many more are probably given to explain the quality of the work which they do while here. Perhaps, however, this latter subject is best deferred until later.) Seriously however—for several years, the colleges in the United States have been carefully considering their objectives and evaluating their programs. Your college is one of these. It has not been neglectful of its responsibilities in evaluating its efforts. This is one problem of the faculty and administrative staff. You, as students, have a still greater problem to face: Why did you come to college—and, while here, what can you do to justify your coming?

It is commonly said that students come to college in order to prepare themselves for the work which they shall enter after leaving. That, of course, is a valuable consideration and is a part of the responsibility of every college. Strange to say, however, there are other and more important things which your years in college should do for you. There are six phases of living in this great world of ours which are deserving of some attention. In regard to these six phases, each student must face a personal responsibility which he should not neglect. The obligation is his and his alone; in regard to these things, the faculty cannot help him.

FIRST: In order to get along in this world, you have to live with other people. Are you using every effort to adapt all of your experiences here in college to the end that you may better meet this problem?

SECOND: Are you striving to so shape your life that you may live better in whatever environment you find yourself?

THIRD: Are you growing in your ability to assume your share of responsibility to help with the affairs of your community? Today YOU are

A Fall Scene

a student in this college. It is YOU who is responsible for its existence. Its reputation is YOUR reputation. As a result of your college experiences, are YOU growing daily into a better citizen—or are you merely sitting back and watching the others doing the building?

FOURTH: Are you taking the best possible care of your body while in school? If your body breaks down, your education has failed.

FIFTH: As a result of your college experiences, are you learning how to make better use of your leisure time? In short, are you growing?

SIXTH: Are you ever mindful that everything you do in college may be used later to help you to earn your living as a well educated, well rounded, and respected individual?

Analyze your own problems as they come up. See how they bear on these six phases of life just outlined. Consider how YOU may grow in your ability to utilize your college life in order to later successfully meet these problems.

You can neither succeed in college, nor in your life AFTER college, if you cannot truthfully say that you can satisfactorily fill each of these six functions. What can YOU do to improve your own conditions? Seriously now, how are you checking up?

The Northwest Missouri State Teachers College will do its best to help you. Will YOU help yourself? The college cannot do it all. YOU must help us!

It is your obligation. What your college life will do for you is up to you alone.

—J. W. Jones.

MSTA To Work On Retirement Plan, Croy Says

Nodaway Teachers Meet In All-Day Conference Here

"The Missouri State Teachers Association will this year have charge of prolongation of some type of retirement plan for teachers," said Wallace Croy, principal of Maryville high school and a representative of the state association at the meeting of Nodaway county teachers in the College auditorium Monday morning Aug. 29.

Croy pointed out in his address that the state association will this year provide for a state of continuing strength the county superintendents' offices and will be responsible for certain financial allotments. He told the group of between 250 to 300 county teachers and administrators that in the past the state association has sponsored organizations, sponsored legislation, printed a magazine, maintained committees, investigated the needs of schools, sponsored a plan of group insurance, initiated Reading Circle work, maintained a certain clearing office to give honest publicity.

Should Give More
"In return, teachers have not given the association as much as it should," Mr. Croy stated. "We have given of our time, ability and money but we should give much more."

Ray Dice, rural school director of northwest Missouri, presided at the meeting after introductory remarks by W. H. Burr, Nodaway county superintendent. Dice stated that the state department, rather than being an office to tell teachers what to do and not to do, is trying to be a clearing house for ideas of educators over the state.

A. F. Elsea, director of rural education in Missouri, told the group that the theme for education in Missouri this year is improvement of instruction. After speaking increased enrollments in rural schools in the past several years, Elsea said that one-third of the rural population in Missouri present is enrolled in the state rural schools. He said that last year Missouri spent \$50,974,000 for schools.

Year-Round Pay
"The time is coming," Elsea said, "when rural school teachers will be paid twelve months out of the year. This year many systems provide expenses for teachers who attend summer school."

"Teachers need good automobile," the rural administrator continued. "They need and are entitled to modern home and schoolroom. Rural school teachers will soon be considered the executive officer of the school boards, just as city superintendents are today," Elsea said.

Mrs. Jerry Fisher, Nodaway county chairman of the Parent-Teacher Association, appeared before the group and invited teachers to organize P. T. A. units in their districts. Miss Thelma Suetter, of the state health department, also spoke to the group and emphasized the importance of health development in rural schools. She pointed out that teachers are often models for their students, and that teachers should be healthy and practice health habits.

Following the morning session, adjourned to the First Methodist church where a luncheon was held and where Mr. Leslie G. Somervy, member of the College faculty, explained the unit system to be used this year by all rural and city schools in Nodaway county. Meetings of high and grade school teachers were held Monday afternoon at the county courthouse.

College To Offer Many Entertainments This Year

Greek Letter Rush Activities Are Begun as Students Return

During the course of the ensuing year the College, through its various organizations, will present an abundance of social events and entertainment activities, it was announced this week.

Freshmen students have already taken part in various first-week social activities, the annual Young Men's Christian Association's "Mixer" held between 8 and 9:30 o'clock Tuesday night and the watermelon feed for freshmen men Tuesday afternoon. The W. A. A. party was held at the college gymnasium last night and the Y. W. C. A. held a party Wednesday night.

First-year women living out in town homes were visited Tuesday night by a group of Varsity Villagers. Included in the group were Helen Hiles, Lucille Nelson, Marian Hart, Helen Killian, Faye Moorman, Marjorie Murray, Lurline Stevens, Francis Clayton, Marjorie Fisher, Jane Courtney, Elizabeth Matheny, Phyllis Thomas and Alice Woodside.

Rush week activities began this week with the holding of various rush engagements by fraternities and sororities on the campus. The Sigma Sigma Sorority will hold its informal rush party Monday evening, and Alpha Sigma Alpha's informal party will be held Tuesday night.

The following night, Sigma Sigma Sorority will hold its formal rush party, followed by the Alpha Sigma Alpha formal party Thursday night. Residence Hall women held a tea from 3 to 5 o'clock Tuesday afternoon in the hall parlor. That evening "Flying Parties" were held throughout the dormitory.

Sigma Mu Delta and Sigma Tau Gamma fraternities will hold their all quarter "Smokers" next week. Other activities for the year include the Homecoming activities next month, the Christmas formal dance, various organization dances and parties, Walk-Out day, and a number of other entertainments and assemblies.

Virginia Utz Marries Wm. Iams

The marriage of Miss Virginia Utz, daughter of Mr. and Mrs. L. Utz of St. Joseph to William D. Iams, son of Mr. and Mrs. R. Wade, Sullivan, Mo., took place Saturday evening, August 13 at the Wyatt Park Baptist church in St. Joseph. Rev. W. W. Pierce had the services in the presence of the immediate families.

The bride is an alumna of the college. She was also graduated from the Central high school and senior college in St. Joseph. She has been an instructor in the high school at Sullivan.

Mr. and Mrs. Iams are at home at Sullivan.

Former Students Are Married

The marriage of Miss Leona Mahood, Chicago, daughter of Andrew Mahood of Savannah, to Lloyd Little, Spickard, took place August 13 at the parsonage home of Rev. W. Kimbrell, pastor of the Methodist church in Platte City, Mo. Mr. and Mrs. Tuttle are former students of the college.

Mrs. Tuttle is a graduate of the Central Missouri College at Warrensburg, and for the past several years taught school in Chicago. Mr. Tuttle is a graduate of the University of Missouri and is principal of

Two Faculty Men Return This Week With Brides

Renner-Surrey, Fulkerson-Wales, Are Wed This Summer

Two members of the College faculty, accompanied by brides, returned to Maryville this week after the summer's vacation. They are Mr. Sterling Surrey, member of the commerce and business administration faculty, and Mrs. Hugh G. Wales, chairman of that department.

Miss Irma Renner, daughter of Mrs. Frances Renner of New York City, and Mr. Surrey were married at a private wedding performed August 12 at the home of the bride's mother. Mr. Surrey is the son of Mrs. Pauline Surrey, also of New York City.

Mr. and Mrs. Surrey spent their

honeymoon at Lake George N. Y., and through several of the Eastern states. They arrived last Sunday night in Maryville where they are at home at 715 South Walnut street.

Mrs. Surrey has studied music the past several years under Henrietta Schumann, concert pianist. Mr. Surrey attended City College, New York City, and received the Master's degree from Harvard university.

The marriage of Miss Mary Alice Fulkerson of Jerseyville, Ill., and Hugh G. Wales, of the College faculty, was solemnized Saturday afternoon, June 11, at the First Presbyterian church in Jerseyville with the Rev. John A. Lampe, pastor of the church, officiating. A reception at the home of the bride's parents, Mr. and Mrs. Joseph E. Fulkerson, followed the wedding.

Mr. and Mrs. Wales took a short wedding trip and for the greatest part of the summer lived in Evanston, Ill., where Mr. Wales was an instructor at Northwestern university. The bridegroom has been on leave of absence from the college here for two years while working on requirements for the Doctor's degree.

Seven New Faculty Members Join STC Staff This Week

President Lamkin Announces Changes In Personnel Of Instructors

Several new faculty members, who will assume their positions with the opening of the fall term of College, have been announced by President Uel W. Lamkin.

Mr. Paschal Monk, a graduate of the College in 1929, is the new chairman of the department of music, succeeding Mr. Laverne E. Irvine, who resigned to teach in the University of Louisiana Polytechnic. The Rolla Miners from the Missouri School of Mines in the central part of the state should cop the 1938 Missouri Intercollegiate Athletic Association football championship if the predictions of Coach Ryland Milner, mentor of local Bearcat teams, are an indication. The Maryville coach the latter part of August stopped his work of preparing for the annual football camp, which began Sept. 5, to state that he believed the Miners will be the title contenders in the conference.

Miss Catherine Dando, formerly voice teacher in Wilmington College, Wilmington, Ohio, will replace Mr. Herman N. Schuster as voice instructor in the music department. Mr. Schuster was granted a leave of absence to do work toward a Mas-

ter's degree at Northwestern University.

John W. Geiger, Elizabeth, N. J. will have charge of band and orchestra. Mr. Geiger, who has an A. B. degree from Ball Teachers

College, Muncie, Ind., and M. A. degree from the Columbia University Teachers College, New York, replaces Mr. Claire Wigell, who resigned.

Miss Carol Y. Mason, a member of the summer faculty at the Teachers College, Oshkosh, Wis., will be a new instructor in the geography department. Miss Mason, whose home is in Milwaukee, holds both an M. A. and a Ph. D. degree from Clark University, Worcester, Mass.

Miss Winice Ann Carruth, McComb, Miss., will be assistant to Miss Miriam Waggoner, recently named chairman of the Department of Physical Education. Miss Carruth received her M. S. degree from Louisiana State University.

Miss Duane Eberhardt, Gilman City, Mo., will take the place of Miss Margaret Franken in the department of education. Miss Eberhardt, a student at the College for two years, holds an M. S. degree from the University of Missouri.

Roy Ferguson, assistant business manager for the past three years, has been appointed director of field service.

Frederick Schneider, Stanberry, who received a B. S. degree from the College this spring, will be in

Miss Ruth Millett Is Married To New York Doctor

Mr. and Mrs. Ralph Linwood Millett of Memphis, Tenn., recently announced the marriage of their daughter, Miss Ruth Linwood, to Dr. Frederick Charles Lowry on Saturday, Sept. 10, in New York, according to an announcement received this week by President Uel W. Lamkin.

Miss Millett was graduated from Iowa State university at Ames, Ia. She was publicity director and assistant dean of women at the College in 1934 and 1935.

Dr. and Mrs. Lowry will be at home at 2 Horatio Street, New York City, after September 26.

charge of publicity at the College. Mr. J. L. Zwingle has assumed his duties in the department of English in the place of Miss Estella Bowman, who has been granted a leave of absence.

Bearcats Strong In Backfield But Need Linemen

Football Camp Held Here Last Week For Fifty Candidates

With the annual football camp completed and also one week of regular football practice, Coach Ryland Milner has found that in the squad of fifty men he has an abundance of backfield material and lacks line candidates.

The Maryville head mentor, assisted by Coach Wilbur Stalcup and Everett Richards, the Bearcat all-star center of last year, has been holding two practice sessions daily since the camp began Monday, Sept. 5. Judging from the size and speed of most of Coach Milner's proteges, the Bearcats should be hard to beat this fall.

Norman Reital, St. Joseph, letterman at a back position, and Ike Howell, Thomasville, Ga., letterman at tackle, did not report for practice during the camp, but they are now out for the squad working in their regular positions. Harry Darr, Bethany, Raymond Curtis, Ridgeway, and Joe Kurtright, halfbacks, were late in reporting to camp, but they are also working out in their positions at present.

25 Freshmen

Twenty-five freshmen men have reported for practice this year, according to the coaching staff. Among the outstanding first-year squad members are Bill Litton, end, Don Paxson and Elmer Barton, backs, all of St. Joseph, and Bud Woods of Kansas City, back. Victor Farrell, Grant City, is also showing up well in the Bearcat line.

Other freshmen on the squad, many of whom will see service for the green and white this year, include:

Backs—Leland Vogel, Hamburg, Ia.; Jesse Otte, Maryville; Bob Allen, Maryville; Hubert Seabaugh, Jackson; Gene Hiett, Moberly junior college; Ivan Schottle, King City; Dick Chapman, Earlham, Ia.; Dean Ethington, Lenox, Ia.

Linemen—Dick Austin, Mt. Airy, Ia.; Curtis Murry, Stanberry; Eugene Mallory, Stanberry; Willie Adams, Albany; Donald Goode, Council Bluffs, Ia.; Joe Baker, Hamburg, Ia.; Dean Brown, Hamburg, Ia.; Bill Grobe, Oakland, Ia.; Thomas Micklus, Virden, Ill.; Allen Breckenridge, Turney; and Ralph Kurtright, Albany.

Bernau-Molitoris Co-Captains

Bill Bernau, Earlham, Ia., letterman quarterback, and big Ed. Molitoris, Virden, Ill., three year letterman tackle, are co-captains of the squad this year. Other lettermen who have returned include: Marion and Bob Rogers, Jackson; Larry Loos, Jackson, and Gene Nickel, Virden, Ill., guards; Stanley Pele, Virden, Ill., fullback; Andrew Kruse, Akeley, Ia., center; Raymond Curtis, Ridgeway, Harry Darr, Bethany, Bernard McLaughlin, Virden, Ill., and Joe Kurtright, Albany, halfbacks; Harry Irvine, Fairfax, and Ike Howell, Thomasville, Ga., tackles, and Dean Walker, Jackson, and Clifton Cox, Westboro, ends. All of these lettermen will see much service this fall.

John Green, Hopkins, 210-pound tackle, should do some good at stopping up the Bearcats' line this fall. Line Coach Stalcup said. Greene was out for the squad last year but did not letter. Another non-lettering squad member who has returned is Melvin Carter, 185-pound guard from Polo, Mo., who is expected to see a great deal of service in the line position.

CHS Inaugurates Six-Man Football League Is Formed

College high school will have a football team this fall for the first time in its history. It was announced recently by Mr. H. R. Dieterich, principal. The local high school is a member of the recently organized six man football league.

A meeting was held Aug. 16 at Craig high school to affect the organization of the league. Schools represented were Fairfax, Craig, Westboro, Forest City, Fortescue and Oregon. A schedule for the season was prepared at that meeting.

It was decided by the representatives of the schools to use a forty by eighty yard playing field, with a ten yard border. Goal posts will be twenty feet high and twenty-five feet apart, with the bar nine feet high.

A trophy will be awarded to the school that has the best percentage and retained by that school when it wins it two years in succession, Mr. Dieterich said.

Following is College high school's schedule:

Oct. 7—Fairfax, here.
Oct. 14—Forest City, there.
Oct. 21—Corning, there.
Oct. 28—Fortescue, there.
Nov. 4—Craig, here.
Nov. 11—Westboro, here.

Mr. Dieterich stated last week that the high school team will wear the same equipment as an eleven-man team, except that he thought the College high boys will wear canvas shoes with cleats. The local six will probably practice from 11 a. m., un-

Bearcat Claws . . .

by ye ed

While most of the nation's eyes are still on big-time baseball, we at dear old S. T. C. return to the campus with the big thing on our sports minds being the football season. Our own Bearcats are working out, and have been for a week, there is a bit of a fall tang on the evening breezes, and all in all—we are all set for another big football season.

Incidentally, in terms of the country's national sport, the writer is pinch-hitting for the fellow who will ordinarily write this column. The regular writer, who will be the sports editor, has not as yet taken over the reins.

We took a stroll last week during football camp down to the athletic field to see what in store for the Bearcats this fall. Of course it is still too early to say anything definitely, but it appears to us that we should rank well up on the M. I. A. A. ladder by the end of the season. Coaches Ryland Milner and Wilbur Stalcup have been putting the boys through the traces and some of the proteges look as though they had played football all of their lives.

Three faces we missed the first of last week, though, were those of little Joe Kurtright, Harry Darr and Raymond Curtis, lettermen of whom we expect big things in halfback positions.

Later, we learned, the trio was in Kansas City playing baseball with Bethany, Mo., town team in the Ban Johnson tournament, and that they would be out regularly for practice after the big city's meet.

Incidentally, we read by the papers that Hershel Neil, the greatest track star ever to run for the green and white, came back from the A. A. U.'s European tour and revealed that he had ankle down the center aisle to the altar to tie the everlasting knot. May we say congratulations and best wishes, Mr. and Mrs. Herschel Neil! Mrs. Neil is the former Thea Oller, sophomore here last year.

Our head football mentor, Coach Milner, has definitely chosen the Rolla Miners to cop the MIAA championship in football this fall; and we wouldn't be a bit surprised but that he probably chose correctly. The Miners showed a lot of speed and power last year, and, without the loss of any men, they should take the title this year.

We were glad to see that Coach Milner expected the Bearcats to be battling with Kirksville and Cape Girardeau for second, third and fourth places. Let's hope for the best and do our part by attending the games en masse and cheering our eleven on to VICTORY!

Herschel Neil Returns From Trip To Germany; To Enroll For Fall

Former Star Track Man and Miss Thea Oller Secretly Married

Herschel Neil, who at Grandview high school near Maysville, Mo., and at the College here won laurels for being a one-man track team, returned to this city the first part of September from a trip to Germany with the United States American Athletic Union track team which competed in the foreign country this summer.

Neil returned to his Alma Mater to make arrangements to enroll for the fall term. He has a few hours to earn before graduating.

Married July 6

Wearing the red, orange and blue emblem of the American Union, Neil did not display many medals but he did show the happy countenance of a man recently married. He was married to Miss Thea Oller, Cairo, Ill., who was a sophomore in the College here last year, in secret at Savannah, Mo., July 6, only a few days before leaving with the American team for Germany.

Neil docked several weeks ago at New York City after spending al-

most a month and a half on the European tour. He told of seeing many results of Germany's rearmament program, especially of the troops of men, women and boys and girls with army packs on their backs.

Suffers Ankle Injury

The former College star of the field and track did not take part in the meet at Berlin because of a recurrence of an ankle injury, suffered while running for the local College. He did, however, take part in the meet at Hamburg, Germany, where his ankle gave way and where he received third place in the hop, step and jump event. He also competed at Dartmouth, but did not make the trip to Amsterdam and Italy with the American team. Neil returned home with a group of fellow American athletes after the meets in Germany on the steamship Bremen, a large passenger ship.

Neil was chosen to make the trip to Germany by winning in the national A. A. U. meet early this summer.

At 12:30 p. m., at the College athletic field, Mr. Dieterich announced. Six-man football consists of three men in line and three in the backfield.

Eddie Hiner Pitches No-Hit Game

Eddie Hiner, a student this past summer in the College, carved himself a niche in the Atchison, Kas., baseball hall of fame Sunday afternoon, Aug. 21, when he hurled a no-hit, no-run game for the Atchison Merchants over the Kickapoo Indians of Horton, Kas. Hiner lives in Rushville, Mo., and teaches at Pickett high school near St. Joseph.

Hiner allowed one walk, which came with two out in the ninth inning. He struck out seven men. Atchison won, 2 to 0.

Hiner has pitched one-hit five times in his baseball career, but the game Aug. 21 was the first time he had pitched a no-hitter. It was his twenty-sixth shutout victory.

Coach Ryland Milner Chooses Rolla Miners To Cop M. I. A. A.

Bearcats, Kirksville and Cape Girardeau Should Battle For Next Three Places In Conference

The Rolla Miners from the Missouri School of Mines in the central part of the state should cop the 1938 Missouri Intercollegiate Athletic Association football championship if the predictions of Coach Ryland Milner, mentor of local Bearcat teams, are an indication. The Maryville coach, the latter part of August, stopped his work of preparing for the annual football camp, which began Sept. 5, to state that he believed the Miners will be the title contenders in the conference.

"The Miners ended in third place last year," Coach Milner said, "but they had a good team and they didn't lose any boys. I think Rolla will have the leading team in the conference, and I look for them to be the title contenders."

In regard to other teams in the conference, Coach Milner stated, "I look for the next three places in

COACH RYLAND MILNER, head of College football teams who for the past two weeks has been putting the Bearcats "through the traces" before the season's opener next Friday.

the MIAA to be, a toss-up between Cape Girardeau, Kirksville and Maryville, with Warrensburg not to be unnoticed. Cape should be hard to handle, and Kirksville, with two new coaches, should have a good club.

"Warrensburg can never be counted out of the running," the Bearcat mentor stated, "and Springfield, with their new coach, Red Blare, will have a very much improved team."

In reference to his own team—the Maryville Bearcats—Coach Milner said, "I can't say what our chances will be for sure, but we will be ready to give them all a battle."

Typewriting Paper, ream 50c—Forum Print Shop.

Schedule Shows 5 Home Games

The Bearcats football schedule for this fall follows:

Sept. 23—Peru Teachers at Peru, Neb.
Sept. 30—Midland College at Maryville.
Oct. 7—Nebraska Wesleyan at Lincoln.
Oct. 14—Rolla Miners at Maryville.
Oct. 21—Springfield Teachers at Springfield.
Oct. 28—Kirksville Teachers at Kirksville.
Nov. 4—Warrensburg Teachers at Maryville.
Nov. 11—Cape Girardeau Teachers at Maryville.
Nov. 18—South Dakota Teachers at Maryville.

Bearcats To Meet Peru Bobcats In First Encounter

Locals Open Fall Season Away From Home Friday Night

The football season for the College Bearcats will open next Friday night, September 23, when the local eleven will journey to Peru, Neb., where they will engage the teachers' college Bobcats in that town.

Little is known in the Bearcat camp of the Peru team this season, as the game next week will be the first of the year for both teams. Last year, however, the two team battled four quarters to end up in a six to six tie.

The first schedule game is a non-conference encounter, as is the second, with Midland college's team on the local field Friday night, Sept. 30. The third pre-season conference

game will be Oct. 7 against Nebraska Wesleyan at Lincoln.

The first conference game will be the annual Homecoming game on the local gridiron Oct. 14 when the Bearcats tangle with the Rolla Miners, favorites to win the M. I. A. A. conference championship.

Predict Miniature Golf Comeback

Elmsford, N. Y., Sept. 15—A miniature golf course company here has sold two Tom Thumb courses and officials predict a comeback for the game that for a few weeks took forty percent of motion picture house patrons out into the open lots for a whirl at putting through a stove-pipe.

Students: Keep Your Dr. Anthony Date

Attention is called this week for all students to keep their appointments which were arranged registration day with the College physician, Dr. F. R. Anthony. A requirement of all students entering the College is that they have a physical examination, and that was the purpose of the appointments made at the offices of Mr. Tad C. Reid, dean of men, and Dr. Margaret Ruth Smith, director of personnel for women.

To Select Sports Editor
The Student Senate will choose the Missourian sports editor at meeting in the near future. Other editors of the Missourian will also be chosen at that time.

Quarterback Club Names Employment Group For Bearcats

Ray Weightman, president of the Quarterback Club of Maryville, early in August announced the personnel of the group's employment committee. Members are as follows: M. W. Stauffer, chairman, Hugh Armstrong, Henry Blanchard, Homer Ogden, Paul Gebert and Fred Wolfers.

The committee will co-operate with the College coaches, Mr. Ryland Milner and Mr. Stalcup, in securing part-time employment for deserving athletes on the Bearcats squads.

Fords Play Golf on King's Course, Scotland

Glenaeagles, Scotland, Sept. 16—Edsel Ford and his son William played a number of rounds of golf on the King's course here during a holiday in Scotland. The Fords have succeeded in keeping Master William out of the papers.
